PART A - close colleagues

The term 'close colleagues' is defined as colleagues with whom the member of the Board / Board Committee has a close current or recent (covering at least the past 10 years) working partnership. It may be described in terms of college, faculty, department, or research group, and may include individuals or groups within or across institutions.

Where the conflict of Interest involves 'close colleagues' the member of the Board / Board Committee will not have access to documents, will not take part in discussions and will not take part in decisions

Please describe your 'close colleagues'

Close colleagues across the NGO sector primarily but not limited to domestic sexual and gender based violence organizations.

PART B – Wider Community

Defined as the wider community for which the Board /Board Committee member might reasonably be considered to have shared interests or loyalty. The wider community may be interpreted to include current or previous (covering at least the past ten years) place of employment, colleagues and others who share business/ research interests (e.g., cancer prevention or obesity).

Where the conflict of Interest involves 'wider community' the Board/Board Committee member may not have access to documents, take part in discussions or take part in decisions. A final decision in respect of specific items of Board/Board Committee business will be made by the Chairperson, normally after consultation with the member.

Please describe your 'wider community'

Long standing partnership with NUIG school of psychology and Whitaker Institute, Health and Wellbeing stream. I was previously employed by the Royal College of Nursing in the UK. Partnership with NU Maynooth under IRC grant.

Part C – Domains of business/research

Domains of business/research in which the Board / Board Committee member is actively involved. Domains may be defined in terms of topics or methods/methodology. Depending on the context, this may be narrower or broader

Where the conflict of interest involves 'Domains of business/research' the Board/Board Committee member would take part in general discussions in these areas but would not take part in formal decisions relating to funding streams the specifically focus on these areas.

Please describe your 'Domains of business/research'.

Primary domain of business is within domestic, sexual and gender based violence at NGO and interagency level, including occasionally commissioning and conducting research. I also work across the children's and Rights sectors with a particular interest in data protection rights. I sit on various advisory structures or engage in work with statutory agencies the CSO, the HEA and Healthy Ireland (primarily through their Crisis Pregnancy sexual health programmes of work).
