PART A - close colleagues

The term 'close colleagues' is defined as colleagues with whom the member of the Board / Board Committee has a close current or recent (covering at least the past 10 years) working partnership. It may be described in terms of college, faculty, department, or research group, and may include individuals or groups within or across institutions.

Where the conflict of Interest involves 'close colleagues' the member of the Board / Board Committee will not have access to documents, will not take part in discussions and will not take part in decisions

Please describe your 'close colleagues'

Current close colleagues:

Board members and staff at Debra Ireland (Board member since 2015)
Brian Harrison, Managing Director, HiTech Health (consultant to HTH since 2015)

Recent close colleagues:

Board members of Charles Institute of Dermatology, UCD (Board member 2016-2022)

PART B – Wider Community

Defined as the wider community for which the Board /Board Committee member might reasonably be considered to have shared interests or loyalty. The wider community may be interpreted to include current or previous (covering at least the past ten years) place of employment, colleagues and others who share business/ research interests (e.g., cancer prevention or obesity).

Where the conflict of Interest involves ‘wider community’ the Board/Board Committee member may not have access to documents, take part in discussions or take part in decisions. A final decision in respect of specific items of Board/Board Committee business will be made by the Chairperson, normally after consultation with the member.

Please describe your ‘wider community’

My wider community includes:
Patients and families suffering from epidermolysis bullosa
HiTech Health employees
Charles Institute of Dermatology

Part C – Domains of business/research

Domains of business/research in which the Board / Board Committee member is actively involved. *Domains* may be defined in terms of topics or methods/methodology. Depending on the context, this may be narrower or broader

Where the conflict of interest involves ‘*Domains of business/research*’ the Board/Board Committee member would take part in general discussions in these areas but would not take part in formal decisions relating to funding streams the specifically focus on these areas.

Please describe your ‘Domains of business/research’.

Domains of business/research include:
Rare diseases
Cell and gene therapy development and manufacture
Academic / industry collaborations
