All participants are  
muted

Questions can be  
submitted via Go TO  
Webinar “Questions”  
screen at any time

You will receive a link to  
the Slides and recording  
via email next week

# The Role of National Focal Point

- Implementing the EU4Health Programme at national level by advising and supporting applicants to the calls
- Disseminating the EU4Health programme results at national level
- Contributing to reporting and evaluation
- Providing information on the impact generated by the EU4Health Programme in Ireland

# How can a National Focal Point help ?

NFPs promote funding opportunities as follows:

- Webinars/ Workshops/Presentations
- Targeting high potential applicants
- Discuss project ideas
- Advise eligibility, technical issues
- One to one meetings/phone/email
- Help with partner searches for projects
- Pre-submission proposal review
