

Register of Interests (Board Members)

Board Member's Name:		Dr Clíona Saidléar	
Date Appointed to the Board of the HRB		9 April 2021	
End of term on the Board of the HRB		8 April 2026	
Date of completion of register entry	13 May 2022	Date of most recent revision/update of register entry	2 nd May 2024

PART A - close colleagues

The term 'close colleagues' is defined as colleagues with whom the member of the Board / Board Committee has a close current or recent (covering at least the past 10 years) working partnership. It may be described in terms of college, faculty, department, or research group, and may include individuals or groups within or across institutions.

Where the conflict of Interest involves 'close colleagues' the member of the Board / Board Committee will not have access to documents, will not take part in discussions and will not take part in decisions

Please describe your 'close colleagues'

Close colleagues across the NGO sector primarily but not limited to domestic sexual and gender based violence organizations.

PART B – Wider Community

Defined as the wider community for which the Board /Board Committee member might reasonably be considered to have shared interests or loyalty. The wider community may be interpreted to include current or previous (covering at least the past ten years) place of employment, colleagues and others who share business/ research interests (e.g., cancer prevention or obesity).

Where the conflict of Interest involves 'wider community' the Board/Board Committee member may not have access to documents, take part in discussions or take part in decisions. A final decision in respect of specific items of Board/Board Committee business will be made by the Chairperson, normally after consultation with the member.

Please describe your ‘wider community’

Long standing partnership with NUIG school of psychology. Partnership with NU Maynooth under IRC grant.

Part C – Domains of business/research

Domains of business/research in which the Board / Board Committee member is actively involved. Domains may be defined in terms of topics or methods/methodology. Depending on the context, this may be narrower or broader

Where the conflict of interest involves ‘Domains of business/research’ the Board/Board Committee member would take part in general discussions in these areas but would not take part in formal decisions relating to funding streams the specifically focus on these areas.

Please describe your ‘Domains of business/research’.

Primary domain of business is within domestic, sexual and gender based violence at NGO and interagency level, including occasionally commissioning and conducting research. I also work across the children’s and Rights sectors with a particular interest in data protection rights and cyber safety. I sit on various advisory structures or engage in work with statutory agencies the CSO the HEA. I am a member of the NSB since Q3 2023.

Where the conflict of Interest involves 'close colleagues' the member of the Board / Board Committee will not have access to documents, will not take part in discussions and will not take part in decisions

Please describe your 'close colleagues'

I have worked for the European Association for Palliative Care (EAPC) for the last 9 years. I do not have any close links with palliative care colleagues working in Ireland.

PART B – Wider Community

Defined as the wider community for which the Board /Board Committee member might reasonably be considered to have shared interests or loyalty. The wider community may be interpreted to include current or previous (covering at least the past ten years) place of employment, colleagues and others who share business/ research interests (e.g., cancer prevention or obesity).

Where the conflict of Interest involves 'wider community' the Board/Board Committee member may not have access to documents, take part in discussions or take part in decisions. A final decision in respect of specific items of Board/Board Committee business will be made by the Chairperson, normally after consultation with the member.

Please describe your 'wider community'

None – I have worked for a European palliative care organisation for the last 9 years and do not work closely with Irish colleagues. My organisation is involved in several EU funded projects (currently H2020, Erasmus and Horizon Europe) in one of these there is an Irish partner UCD and Trinity College. A further two Horizon Europe projects (INSPIRE and NAVIGATE) will commenced in 2022 where Trinity College are a partner.

Part C – Domains of business/research

Domains of business/research in which the Board / Board Committee member is actively involved. Domains may be defined in terms of topics or methods/methodology. Depending on the context, this may be narrower or broader

PART A - close colleagues

The term 'close colleagues' is defined as colleagues with whom the member of the Board / Board Committee has a close current or recent (covering at least the past 10 years) working partnership. It may be described in terms of college, faculty, department, or research group, and may include individuals or groups within or across institutions.

Where the conflict of Interest involves 'close colleagues' the member of the Board / Board Committee will not have access to documents, will not take part in discussions and will not take part in decisions

My Close Colleagues are people who work both at Tallaght University Hospital and the Department of Medicine, Trinity College Dublin. Researchers in my Department have and will apply for HRB research support but I would excuse myself from any grant funding calls when Department researchers have applied for those particular grant funding calls.

PART B – Wider Community

Defined as the wider community for which the Board /Board Committee member might reasonably be considered to have shared interests or loyalty. The wider community may be interpreted to include current or previous (covering at least the past ten years) place of employment, colleagues and others who share business/ research interests (e.g., cancer prevention or obesity).

Where the conflict of Interest involves 'wider community' the Board/Board Committee member may not have access to documents, take part in discussions or take part in decisions. A final decision in respect of specific items of Board/Board Committee business will be made by the Chairperson, normally after consultation with the member.

Please describe your ‘wider community’

My wider community would include my healthcare colleagues at Tallaght University Hospital and my respiratory Physician colleagues nationally.

Part C – Domains of business/research

Domains of business/research in which the Board / Board Committee member is actively involved. Domains may be defined in terms of topics or methods/methodology. Depending on the context, this may be narrower or broader

Where the conflict of interest involves ‘Domains of business/research’ the Board/Board Committee member would take part in general discussions in these areas but would not take part in formal decisions relating to funding streams the specifically focus on these areas.

Please describe your ‘Domains of business/research’.

My domain of Research is in the regulation of the inflammatory response particularly as pertains to chronic inflammatory diseases.

My employment history in Ireland would include senior academic positions at both University College Dublin and Trinity College Dublin

The term 'close colleagues' is defined as colleagues with whom the member of the Board / Board Committee has a close current or recent (covering at least the past 10 years) working partnership. It may be described in terms of college, faculty, department, or research group, and may include individuals or groups within or across institutions.

Where the conflict of Interest involves 'close colleagues' the member of the Board / Board Committee will not have access to documents, will not take part in discussions and will not take part in decisions

Please describe your 'close colleagues'

My close colleagues include members of the Department of General Practice; colleagues in RCSI, Trinity College Dublin (TCD) and University of Limerick who are co-applicants on the CDA "Right Care" PhD programme. Similarly, I work closely with TILDA and am a co-applicant on the currently funded programme.

I lead the HRB Centre for Primary Care Research, funded between 2008-2021 with colleagues in TCD (Susan Smith), QUB (Carmel Hughes) and NUIG (Andrew Murphy).

My wife, Deirdre Murphy, is Professor of Obstetrics, TCD.

PART B – Wider Community

Defined as the wider community for which the Board /Board Committee member might reasonably be considered to have shared interests or loyalty. The wider community may be interpreted to include current or previous (covering at least the past ten years) place of employment, colleagues and others who share business/ research interests (e.g., cancer prevention or obesity).

Where the conflict of Interest involves 'wider community' the Board/Board Committee member may not have access to documents, take part in discussions or take part in decisions. A final decision in respect of specific items of Board/Board Committee business will be made by the Chairperson, normally after consultation with the member.

Please describe your 'wider community'

I was a co-applicant on the original HRB PhD Scholar programme (now SPHERE) but haven't been involved since 2013.

Currently, I am external examiner for the MSc in Evidence Based Healthcare at the University of Oxford and am a member of the Acute Respiratory Infections Cochrane Collaborative Review Group (GRG).
